

Praise to God our Father, for we  
are fearfully and wonderfully  
made in His image.

created in the  
*Image of God*

*So God created mankind in His own image...*

God's love shines brightly upon us: His love is a light unto our path.

***I pray the darkness of this world would be eliminated by the light of God's love.***

May God's love and light be seen in our loving actions. May His light guide us in our days.

***I pray that we would always be able to hear God's song, feeling assured in His constant presence.***

May those who have become conflicted find comfort and direction in God's love. May His light lead us in the decisions we make. May we always know He is by our side.

***I pray that every child preparing to be born is welcomed and cherished.***

May we all have the opportunity to know God's love here on earth. May our hearts be open to His Word. May we find comfort in His love when the path is rocky and steep.

***I pray God's love will direct decisions made in response to life's surprises.***

May we accept life created in God's image. May we open our hearts to those in need. We praise you because in your image we are fearfully and wonderfully made.

***I pray that we may stay true to the path He has set for us and that our actions reflect His love.***
