<u>When You Can't Change a Situation,</u> <u>You can Make it Easier</u>

The loss of a loved one is difficult, and knowing that someone is experiencing that pain can be heart wrenching, but nothing you can do will change it.

What you *can* do is help with funeral luncheons by donating food or serving.. The many hands that help with the dinner and those who attend the dinner show a grieving family that they are not alone and that you care.

Please call Joan (989-854-4012) or the parish office (989-828-5720) to get on our call list, or to update your telephone number. We're missing lots of cell phone numbers as people have dropped their land lines.

<u>Asking for Help</u> If you would like to join a small group to pray the St. Michael Prayer after Mass on Sundays, you are welcome to join. See Cindy Gall or Madaonna Taylor after Mass. Dear Friends in Christ,

Today we celebrate the epiphany of the Lord. Webster's first non-divine definition of epiphany is a sudden manifestation or perception of the essential nature or meaning of something. Perception of the essential nature of Jesus is what we celebrate today. Jesus Christ, born of a woman, is God.

Epiphany is celebrated in both the Eastern and Western churches, but commemorate different events in Christ's life as the Epiphany.

We in the western church recognize the visit of the magi to the Christ child. This is his manifestation to the Gentiles. In the Eastern church the day is celebrated recognizing Jesus' baptism in the Jordon, and God announcing the heavens "This is my beloved son..."

The second definition of epiphany in Webster's provides further insight, a grasp of reality through something usually simple and striking. Both of these events, a visit and a baptism, are simple yet striking. And much of Jesus' teaching follow the same pattern, a simple teaching that reveal a deep and essential truth.

Let 2023 be a year of epiphanys for us, grasping essential truth's, that we may manifest them to the world.

Peace and blessings,

Deacon Todd
