

Mother's Day 2025

Weekend Mass Announcement

Life Choices of Central Michigan is a pro-life non-profit organization located in Union Township. Life Choices offers pregnancy medical and counseling services to the residents of mid-Michigan regardless of ability to pay.

The Shepherd Knights of Columbus in 2025 provided cash and material support to Life Choices consisting of:

- Council cash donation of \$500
- Matching contribution from United Way of Gratiot-Isabella County of \$500
- Material support of baby monitors, Wet Ones cleansing wipes, canisters of disinfecting wipes, and deep cleaning hand soap products with a value of \$1,890
- These cash and material donations made the Council eligible for a grant of \$400 from the National Knights of Columbus Council payable directly to Life Choices.

The combined value of financial and material support enabled by the Shepherd KofC Council's support of Life Choices is \$3,290.

Shepherd Knights of Columbus made this gift to Life Choices in recognition of Mother's Day to honor of the mothers and ladies of Saint Vincent de Paul Parish and the strength they bring to our families and community.
