About Me

Hi everyone! I'm Emily and I'm so excited to work with you as your youth minister here at SVDP!

I currently teach 4th grade in St. Louis, but graduated in 2024 from MSU with a degree in Special Education and History. While in college, I was active at St. John's Student Center and worked there as a student intern, led student retreats and service trips and ran a small group on campus.

In my free time, I love music (both playing instruments and going to see live shows), reading, going on walks with my family, and thrift shopping.
